

Remarks

Claims 12 to 16 have been added and claims 3 to 5 and 10 are cancelled so that claims 1, 2, 6 to 9 and 11 to 16 are pending in this application of which claims 1 and 2 are in independent form. The above claim amendments and additions are made to eliminate improper multi-dependencies under U.S. practice so as to place the claims in form consistent with 37 CFR 1.75 (c) in order to ensure examination of such claims.

The amendments and additions are not "narrowing." The scope of the claims has not been reduced; no limitations have been added and none are intended.

The disclosure has been amended to add appropriate headings. The disclosure has also been amended to correct a mirror error (page 15, paragraph starting on line 25) and to clarify the specification (page 21, paragraph starting on line 4; see e.g., page 15, paragraph starting on line 11 for support). No new matter is believed to have been added.

Respectfully submitted,
